# HAWAII THAI

WEAVE ALL YOUR DREAMS.

Hawaii Thai specialises in woven rattan furniture of unique natural beauty and superior craftsmanship, designed to help you unwind and relax.

The Thailand based company leverages on its experience of over 55 years to produce attractive, charming and functional furniture that is also low maintenance, durable and long lasting.

Hawaii Thai products can be found in some of the most prestigious hotels and resorts all over the world. More than 2,000 projects worldwide have entrusted the company to furnish and tend to their relaxation needs.

Hawaii Thai houses a team of renowned designers and craftsmen to produce original designs and creations to turn furniture into modern art.

The company's production line does not rely on machines but on the relationship built among families of craftsmen, whose weaving wisdom and techniques have been passed on from generation to generation.

The wicker cords are woven with great care and each detail is meticulously executed with the exceptional skills that come from the craftsmen's experience.
