

NÜHAUS

Live Beautifully. Uncompromising Quality.

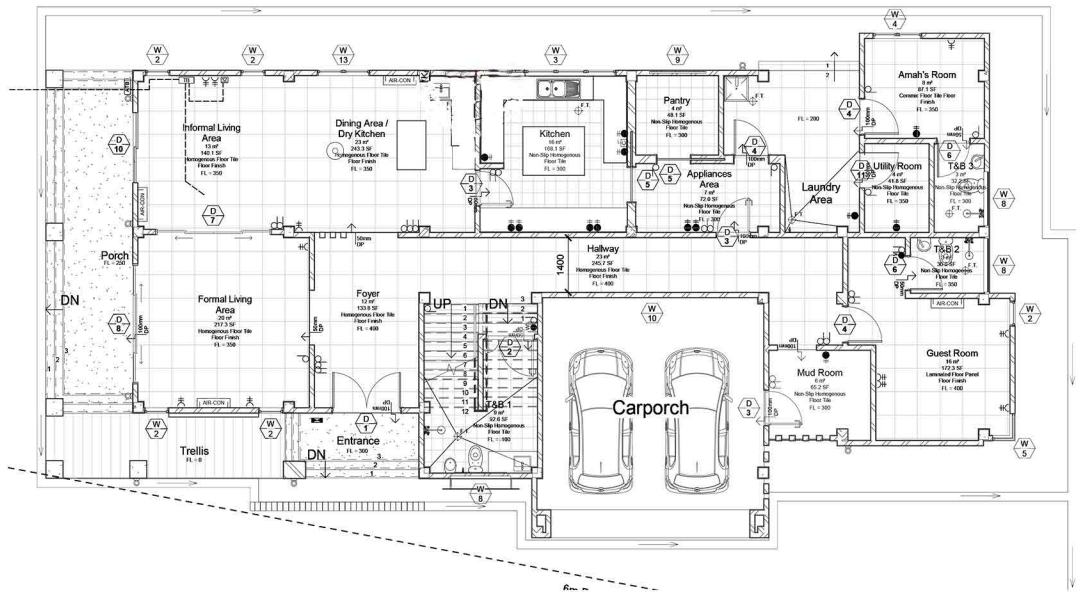

BEAUTY. ELEGANCE. QUALITY.

NÜHAUS Brunei is excited to bring you a modern contemporary living concept. We are committed to delivering products, services and design innovations that embody beauty and functionality.

BUILDING YOUR VISION FROM START TO FINISH

We provide superior engineered, high performance products that look and feel great whilst delivering outstanding value for money. Great products need to be matched with great experience. We aim to do this with courteous, timely and informed customer service.

KITCHEN SERIES

Our Kitchen Series is available in a spectrum of designs, finishes and colours. Easily adaptable to define spaces based on the needs of each individual and the characteristics of the kitchen.

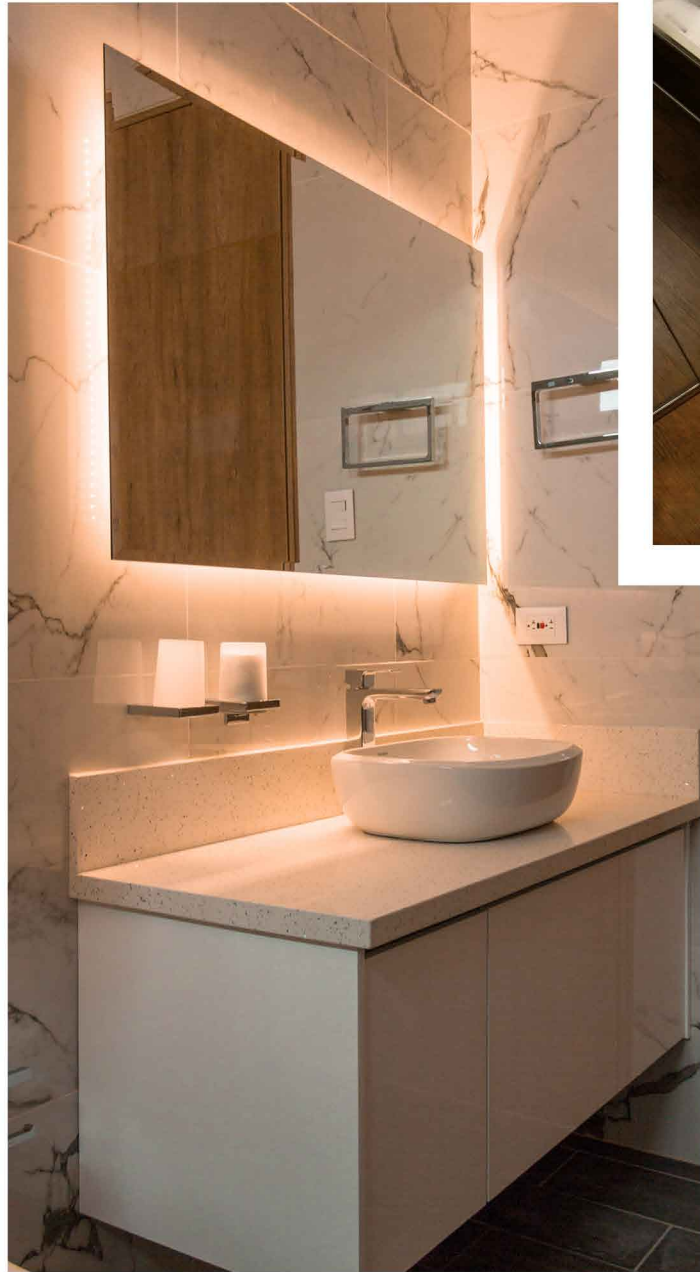

3D Rendering And Design

Cleanliness and hygiene is of utmost importance when it comes to food preparation. We go one step further to ensure this by installing rubber buffers into our storage solutions to protect the contents from dust, insects and other contaminants.

TRULY ALUMINIUM

NÜHAUS products are constructed from high quality aluminum to cope with the different environments of your home. From the heat of the kitchen to the high humidity of the bathroom, our products eliminate all concerns related to premature wear, rust and corrosion.

Our offerings come in a variety of colours and can be tailored made to ensure that it is the perfect fit for your home.

ALUMINIUM DOORS

Make your house stand out with our high performance aluminium doors. These doors are equipped with the best-in-class hidden hinges and heavy duty rollers to ensure smooth operation. Multipoint lock systems ensure a higher level of security and provides multiple protection for you and your loved ones.

An integrated casting system is used in the design and construction of our doors. This reduces the number of joints in the frame which improves durability and structural stiffness, providing additional strength and support.

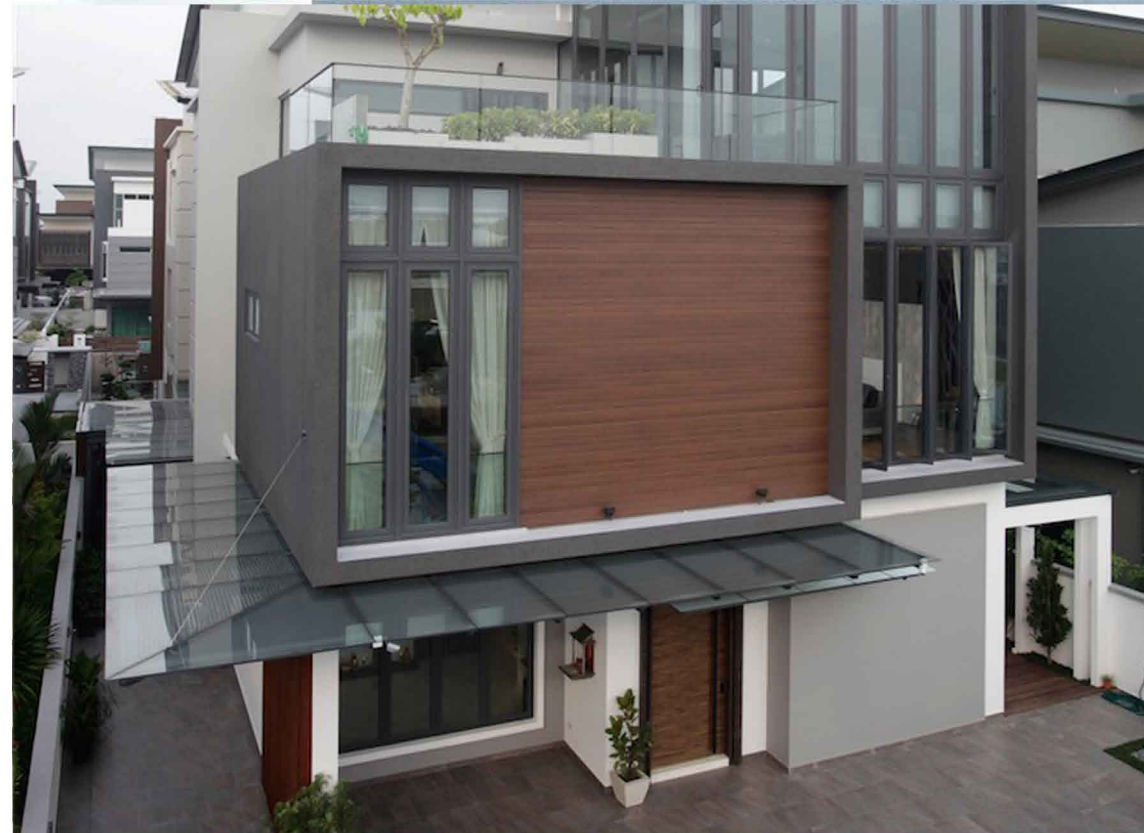

WINDOWS

Our windows can accommodate up to 12 feet in length and three feet in width. Designed to be soundproof and antileak while improving the structural integrity of your home.

At NÜHAUS, we believe that safety is of utmost priority. This is why we carry a wide range of aluminum safety grills that will keep you and your loved ones safe without compromising

PERGOLAS

Complete your lawn or garden with our outdoor pergolas, designed to enhance the look of your property while providing you with a shaded, calm and relaxing resting area. Heavy duty aluminum beams and high transparency glass roofing translates to a strong and durable structure while still allowing you to enjoy outward visibility.

LOUVERS AND SUNSHADES

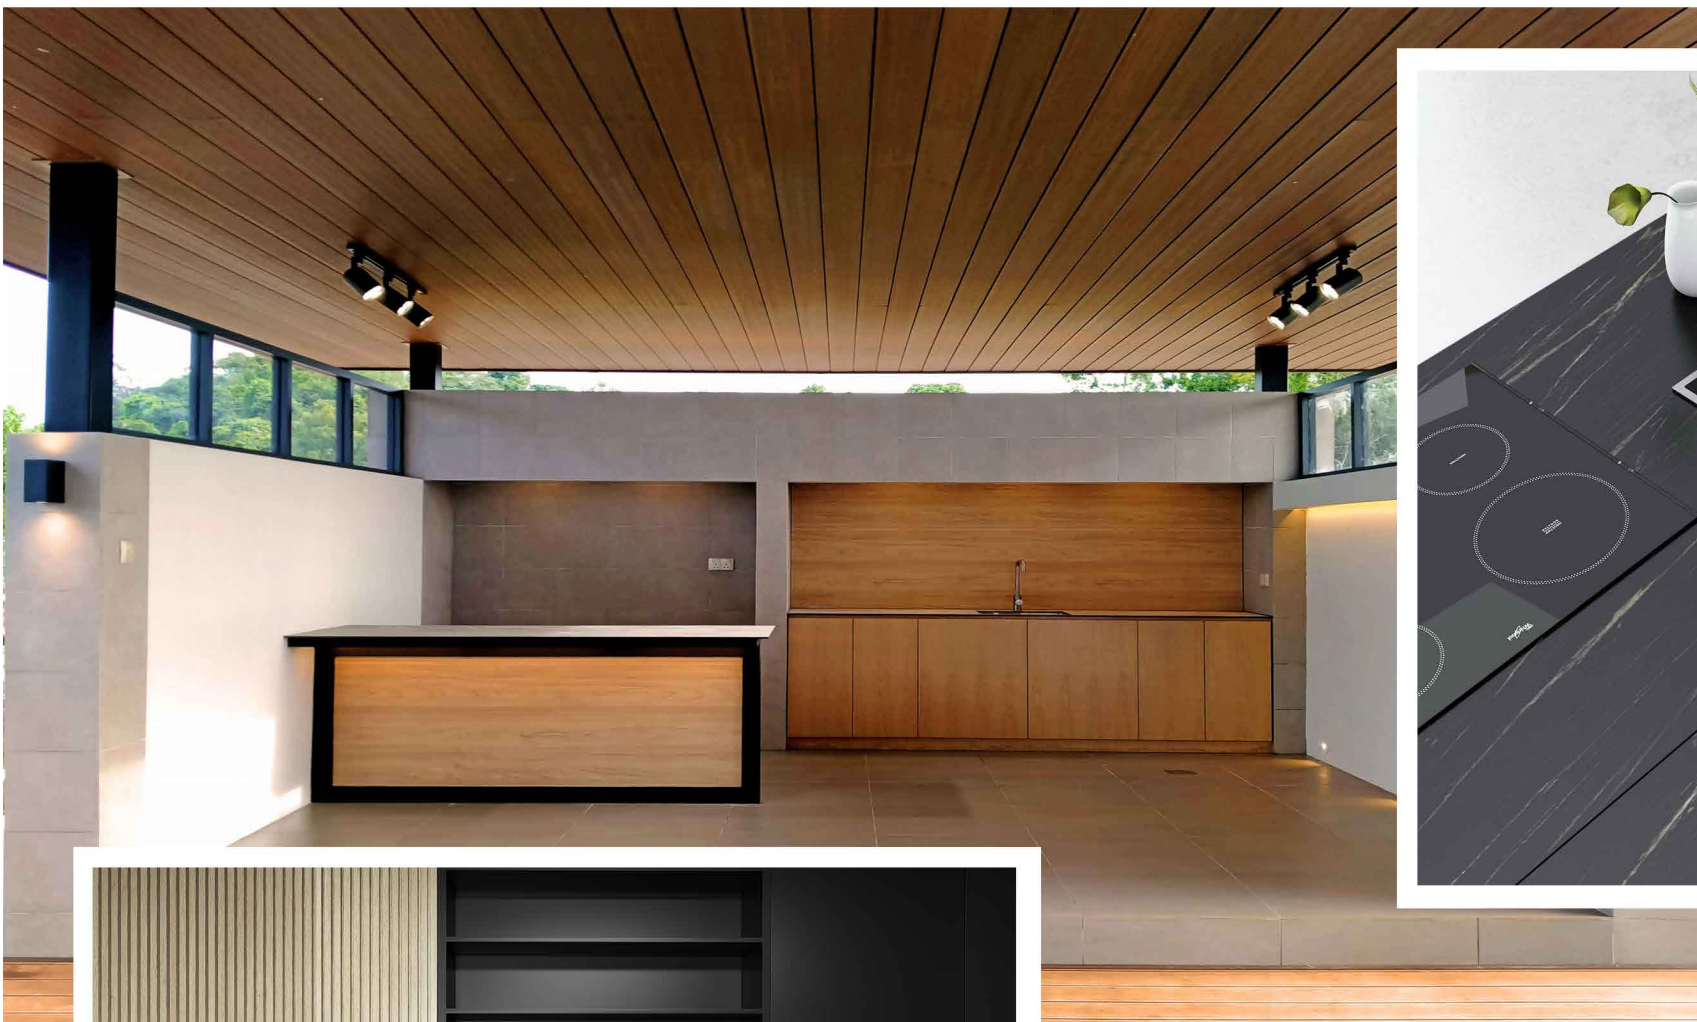

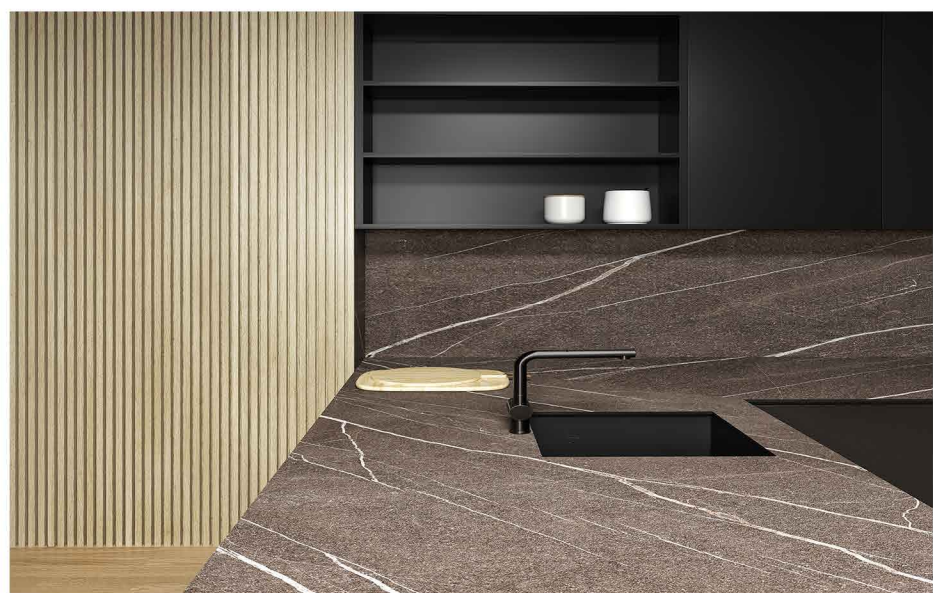

Our sunshades are made from quality materials with a modern and functional design, providing protection from the sun and heat without compromising the looks and feel of your home.

EDL
compact

NÜHAUS is always on the forefront of innovation and we continue to take advantage of the latest trends and technology in laminates to provide you with the best solutions for your walls, countertops, coverings and other surfaces needs.

HAWAII THAI

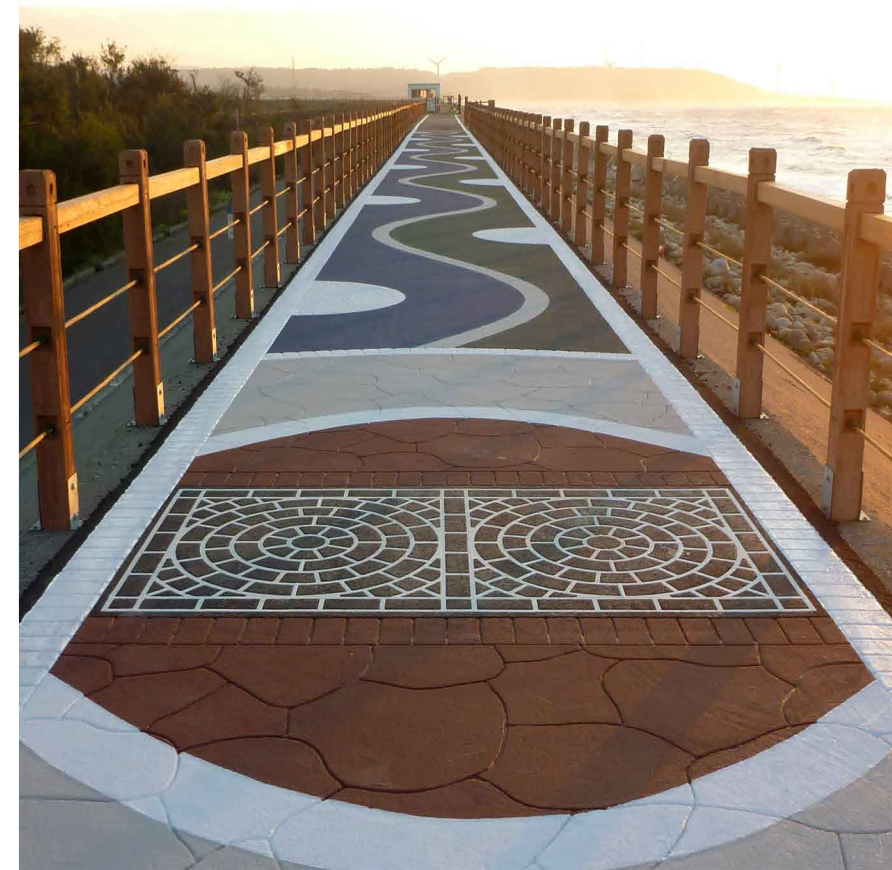

Nothing says rest and relaxation like a masterfully crafted wicker or woven furniture. Hawaii Thai leverages on their expertise in this field to bring you world renowned products.

KristaBond

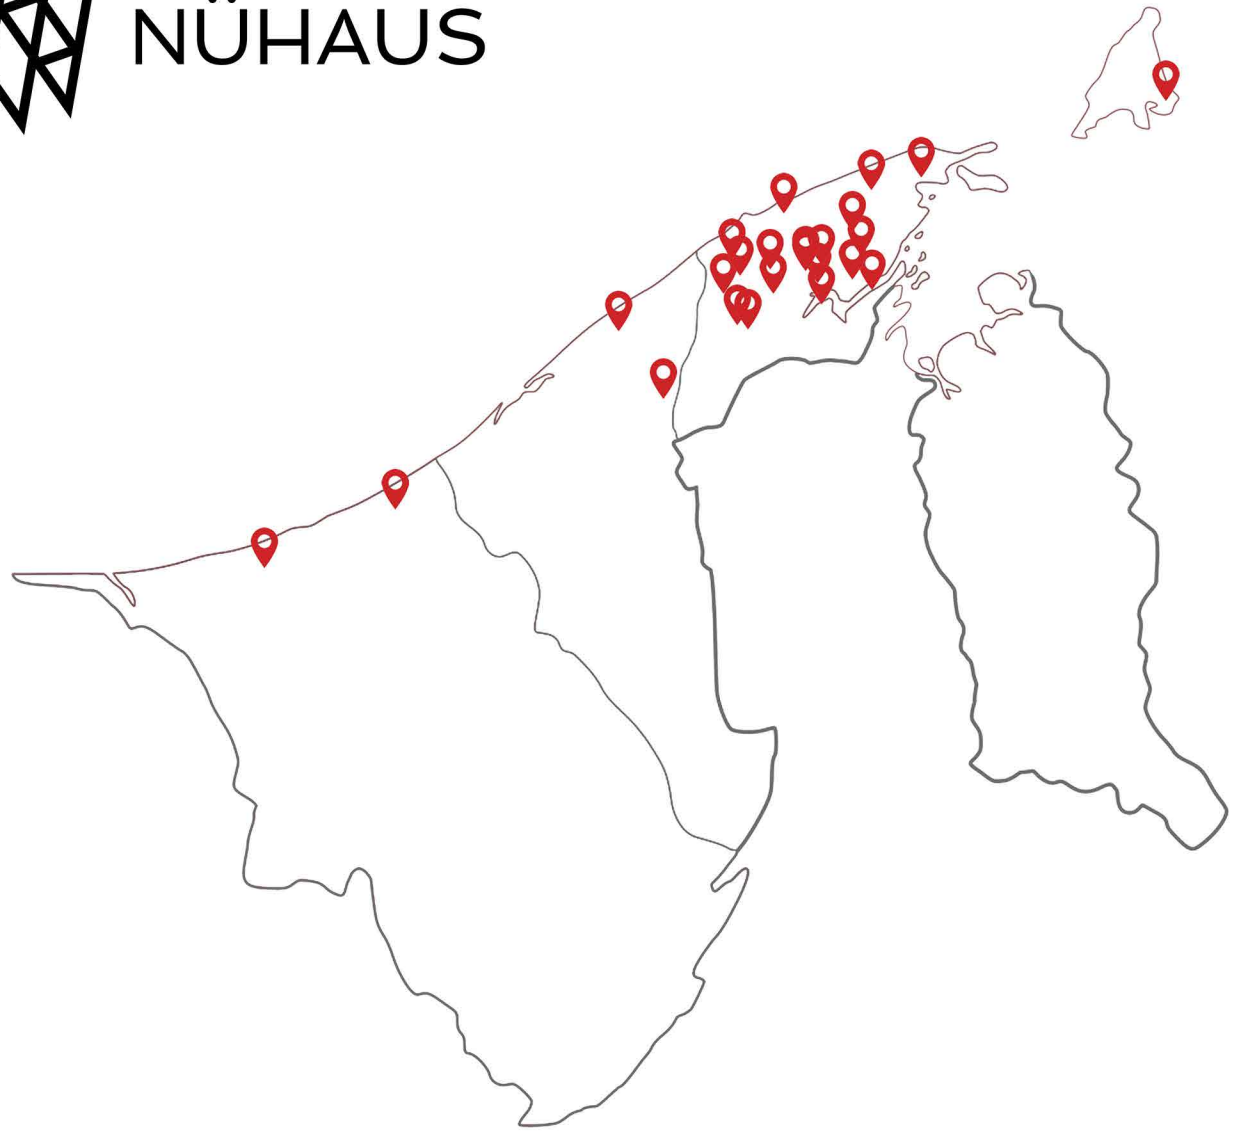

NÜHAUS has partnered with Kristal Bond to bring you a patented nano liquid glass coating solution that is clear, low maintenance and durable. It also cools down your house and prolongs the life of your belongings and furniture.

StreetPrint[®] StreetBond[™]

StreetPrint and Streetbond convert asphalt surfaces to decorative pavement by imprinting patterns with a unique surfacing product. This allows the creation of impressive residential and corporate drives, parkways and crosswalks.
